

SHIP CHANDLING

“Lanka Shipping & Global Logistics (Private) Limited” unique style of ship chandling operations into all international ports(Colombo, Galle, Hambantota, Trincomalee & Puttalam) of Sri Lanka. The company is operated on a 24/7 - 365 basis and is dedicated to providing high quality solutions, services and products to the marine and offshore industry of the country. Our highly experienced and competent cadre of personnel are deeply focused on delivering on-time performance with the utmost care, efficiency and cost effectiveness.

We work in extreme close cooperation with the Sri Lanka Ports Authority, Customs, Navy, Ministry of Shipping, Colombo Dockyard and other industry related personnel, whose assistance is crucial for the smooth handling and quick turnaround of vessels at our ports. Anchor Marine also gives priority in keeping close interpersonal business relationships with our clients in order to cater to their expectations and needs in a more customized and individualized manner
